ZF Virtual Media Workshop E-Mobility

"Individual mobility under high voltage - what is the future of electromobility after Corona?"

This was the key question of the first virtual ZF Media Workshop on 30 June 2020.

ZF experts provided insights into the company's strategy and highlight the technologies with which it is continuing to set the pace in electromobility:

- Stephan von Schuckmann, Head of ZF Car Driveline Technology Division
- Dr. Michael Ebenhoch, Head of Development of the Car Driveline Technology Division
- Bert Hellwig, Head of the E-Mobility System House
- Dr. Dirk Walliser, Head of Corporate Research & Development
